Comments: Previously PGP Operating, LLC has this well named USX-TAURUS 88-18-06-31-11 #013

BWM requests the well name changed to "RGGS 31-11-9013" as referenced above.

NOTE: This well was permitted as a Degas well. BWM has no intention of producing the well and will P&A after Mill-out operations are completed.

The undersigned representing the present operator and new operator, hereby apply to change the operator for the well or wells named above, including all associated production facilities, processing facilities, injection facilities, plants, gathering lines, pipelines, and other associated facilities or equipment. Further, the undersigned representing the new operator, acknowledges that it has ownership or control of one hundred percent (100%) of the rights to drill and produce with respect to oil and gas underlying the lands comprising the unit assigned to the well or wells or to conduct Class II Well Operations on and under the lands on which the well or wells is located for which a change of operator is requested.
